

COLLEGE CONNECT

INTRODUCTION

I am Jeremy Solomon, the Artistic Director behind TrouperSphere, a theatre company specialising in drama in education. At TrouperSphere, we firmly believe in the profound impact of drama and performance arts on students' personal and academic development. Our meticulously crafted programs are geared towards fostering creativity, instilling confidence, and nurturing collaborative skills among college students, while also equipping them with indispensable attributes like effective communication, astute leadership, and critical thinking acumen.

The hallmark of our services lies in their adaptability to suit your college's unique needs and objectives. Our comprehensive suite of programs encompasses an array of stimulating offerings, including intensive Drama Training, Filmmaking and Photography courses and Podcasting workshops. Additionally, we extend our expertise to provide invigorating team-building initiatives expressly designed for faculty members, fostering stronger interrelationships and synergies among your staff.

Our commitment to crafting captivating and enriching programs that inspire students and augment their educational journey knows no bounds. Collaborating with your esteemed institution would be an honour as we endeavour to infuse our expertise and experience into the lives of your students.

Mastering the art of creating compelling multimedia content through video and audio storytelling

04

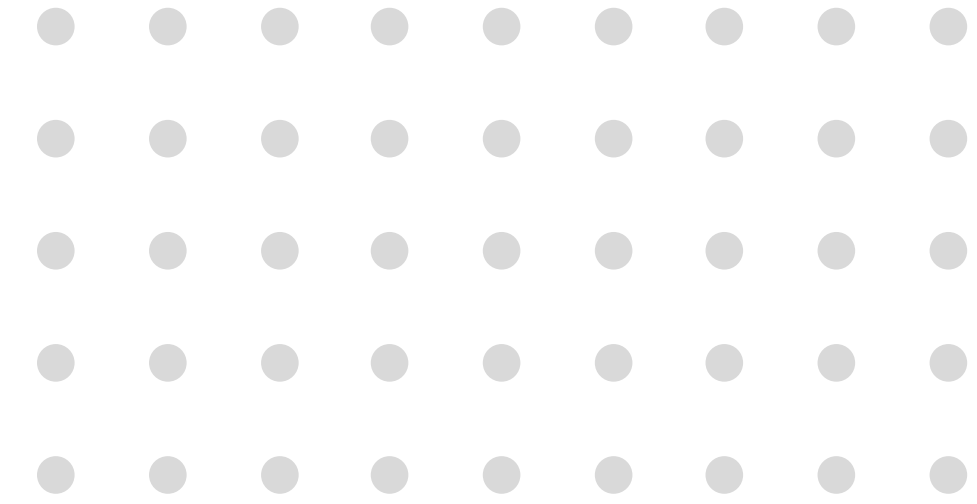

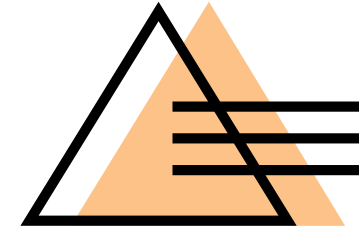

TEACHER TEAM BUILDING

Fostering collaboration and camaraderie with interactive activities with the staff of your institution

DRAMA PRODUCTION

Experience the transformative art of theatrical expression at TrouperSphere's Drama Production program. Stimulating creative storytelling, students delve into the depths of imagination to bring compelling narratives to life on stage. In this program, participants refine their acting skills, portraying complex emotions and embodying diverse characters. They gain insights into dynamic stage design, set construction, lighting, and sound effects, enhancing the overall theatrical experience. Moreover, Drama Production emphasises collaboration and teamwork during rehearsals and group activities, fostering strong bonds and collective effort to achieve artistic excellence.

At TrouperSphere, we believe drama inspires and touches hearts. Our showcases encourage students to deliver memorable performances, resonating deeply with audiences. This program empowers students to showcase their talents, building confidence and self-expression. Each performance becomes a unique experience, leaving a lasting impact on both performers and audiences.

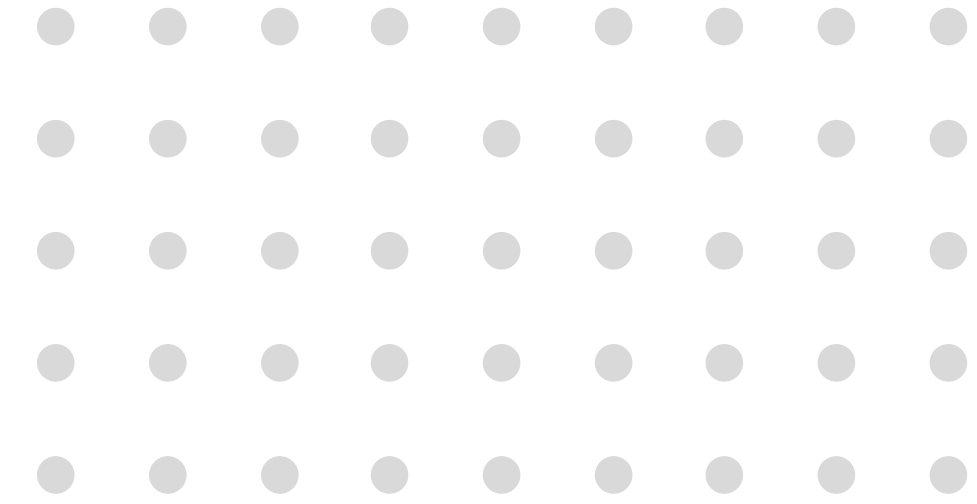

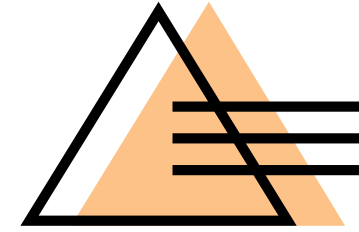

Preceding the large-scale production, students undergo a comprehensive workshop. They receive training in character analysis, script interpretation, and stage presence, ensuring they are well-prepared for the spotlight.

In conclusion, TrouperSphere's Drama Production nurtures creativity and hones dramatic skills, fostering a profound appreciation for theatre and performance art. Prepare for an unforgettable journey of self-discovery and artistic growth.

FILMMAKING PHOTOGRAPHY

Unlock the art of visual storytelling through TrouperSphere's Filmmaking & Photography program. Students embark on a captivating journey of creativity and expression. Our hands-on instruction in film production enables participants to craft compelling narratives and learn cutting-edge photography techniques, capturing moments that tell powerful stories. Immerse yourself in the world of visual arts, mastering the intricacies of camera work, lighting, and composition to create visually stunning and emotionally impactful content.

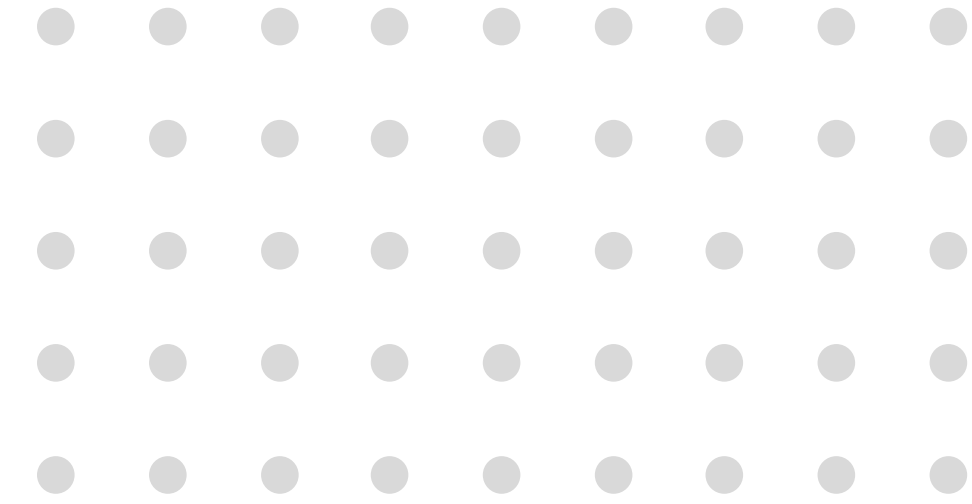

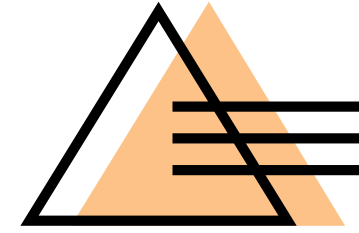

In this program, students explore the power of visual storytelling, using both filmmaking and photography as mediums to inspire and inform audiences. Discover the art of audiovisual storytelling, from capturing captivating images to editing and post-production techniques, enabling you to convey narratives that leave a lasting impression.

Join us for an enriching experience, where you'll learn to tell stories with a lens, engaging and captivating viewers through the art of Filmmaking & Photography.

AUDIO|VIDEO PODCASTING

Unleash the power of multimedia storytelling through TrouperSphere's Audio|Video Podcasting program. Dive into the exciting world of audio and video content creation. Learn the art of crafting compelling narratives using the auditory medium, as well as engaging viewers through visually immersive storytelling.

In this program, students explore the art of podcasting, mastering audio production techniques, scriptwriting, and vocal delivery to captivate listeners. Delve into the world of video podcasting, honing skills in camera work, lighting, and post-production to create captivating visual content.

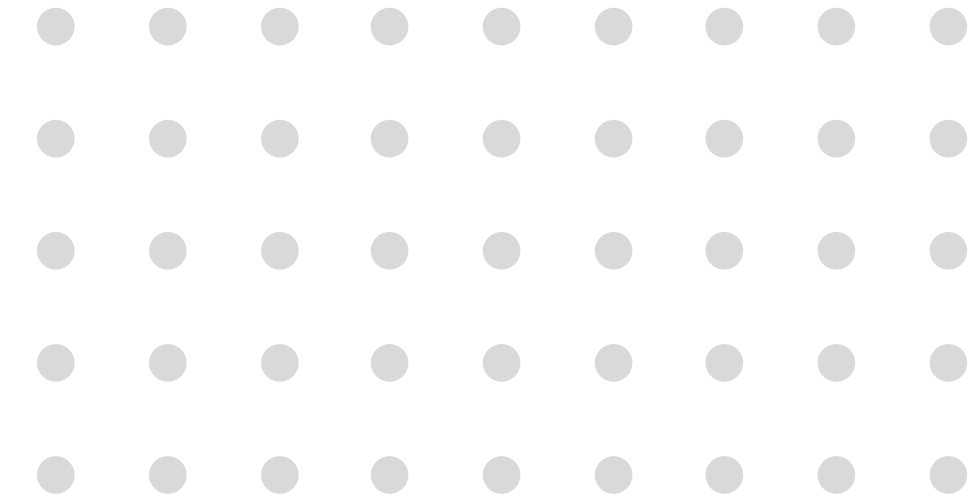

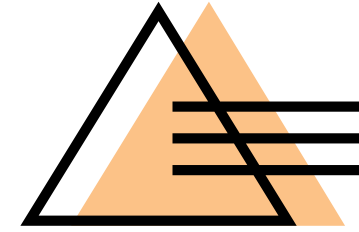

From in-depth interviews to thought-provoking documentaries, discover the diverse possibilities of audio|video podcasting to inform and entertain your audience.

Join us for a transformative experience that will empower you to share stories and ideas through the dynamic medium of Audio|Video Podcasting.

TEACHER TEAM BUILDING

At TrouperSphere, our Teacher Team Building program aims to foster a collaborative and cohesive faculty, creating a positive work environment to support student growth effectively. Engaging and interactive activities strengthen collaboration among educators, promoting effective communication, problem-solving, and mutual understanding to achieve common goals.

Teachers are empowered to harness their collective expertise and diverse perspectives, leading to innovative solutions that enhance the overall teaching and learning experience.

The program prioritises building trust and rapport among educators, fostering a supportive and positive work culture that boosts morale and job satisfaction. The impact of the program is intended to be sustainable, extending collaboration and teamwork skills into everyday teaching practices for long-lasting positive effects.

Join TrouperSphere's Teacher Team Building program to strengthen faculty bonds and create a harmonious and supportive learning environment for educators and students alike. Together, let's build a foundation of collaboration that enhances educational success.

PRICING AND LOGISTICS

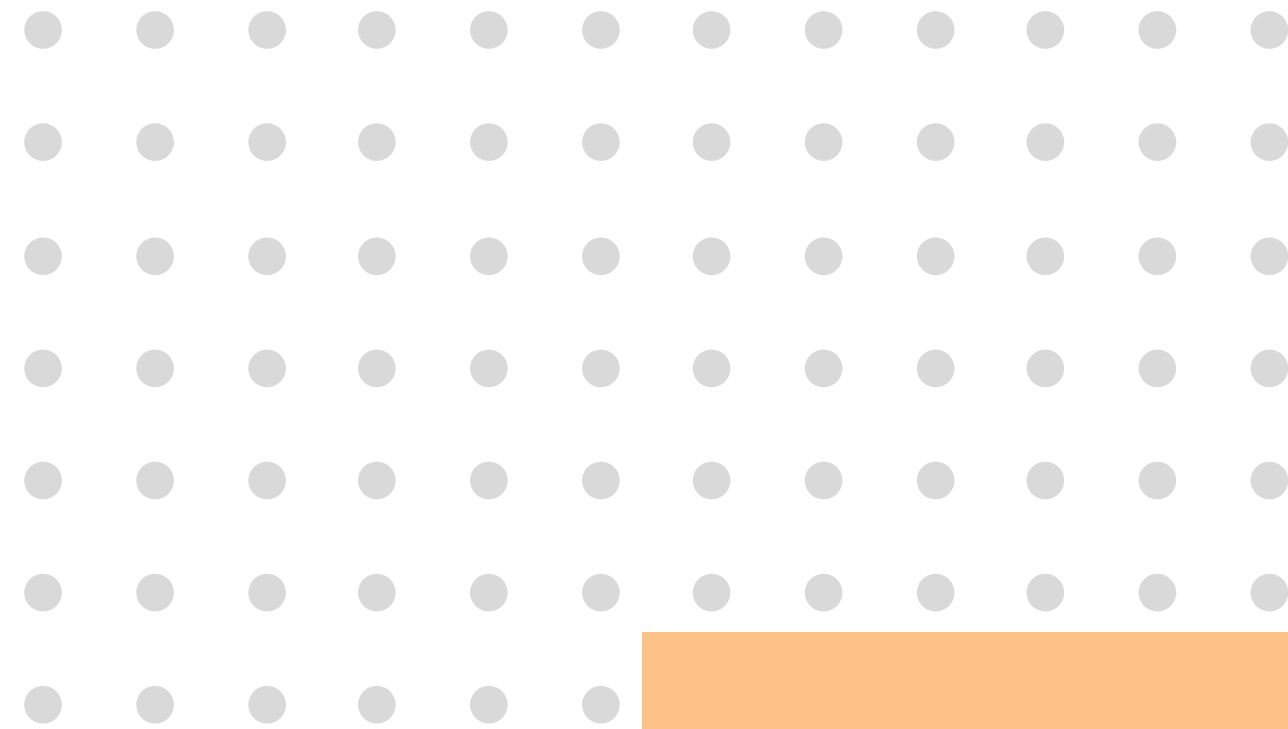

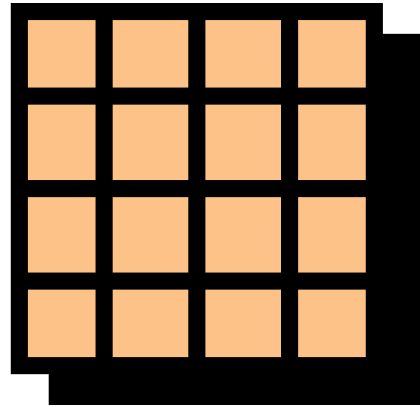

TrouperSphere offers competitive pricing for our programs, and we are excited to collaborate with your college to tailor a program that fits your specific needs and budget. To ensure smooth and successful program delivery, certain logistical arrangements must be made, including providing a suitable performance space or classroom, granting access to necessary equipment and resources, and assigning a school contact person for communication and coordination.

Furthermore, we kindly request a minimum number of students to enroll in each program to ensure the highest standard of training quality and effectiveness. The specific minimum number can be further discussed during consultations to suit your college's unique requirements.

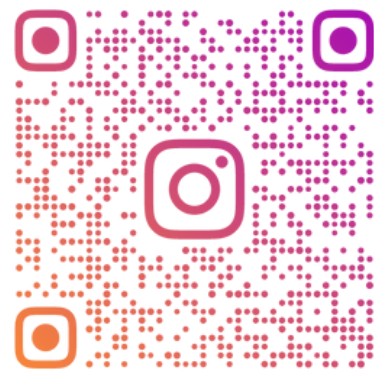

At TrouperSphere, we take great pride in delivering engaging and memorable enrichment programs for students and educators alike. We are committed to closely collaborating with your school to tailor our programs precisely to meet your goals and needs. We eagerly look forward to further discussions on the pricing and logistics of our programs. Together, let's create exceptional experiences that leave a lasting impact on your campus community.

Thank you for considering TrouperSphere as your partner in enriching the educational journey for your staff and students.
